

## Join the Mt. George Fire Safe Council for Our Wildfire Preparedness Event!

Dear Neighbor,

We're excited to introduce the Mt. George Fire Safe Council (FSC) and invite you, as a landowner in the FSC, to a **special community event** focused on wildfire preparedness and community protection. The Mt. George FSC stretches from Silverado Trail up to Mt. George along Hagen and Monticello Roads. Please see map below and online.

**Save the Date! - Thursday, December 12<sup>th</sup>, 5:30 – 7:00 PM**, Cordeiro's Steakhouse, 2025 Monticello Rd. We'll be in the banquet room and there will be a cash bar available.

This event will not only provide essential information on wildfire risk reduction but will also be an **opportunity for you to give valuable input** on the priorities for the Mt. George area. Together, we'll shape the council's focus areas and ensure our projects align with the needs and concerns of the community.

At the event, we'll share insights from our **preliminary wildfire risk analysis** for our area, discuss **current and planned projects**, and outline practical steps to enhance our resilience. You'll **hear directly from experts at Napa Firewise, CAL FIRE, and local officials** on wildfire risks, resources, and preparedness strategies.
