The CWPP serves as a framework to identify priority projects to reduce wildfire risk, build wildfire resilience in our neighborhoods and **unlock potential funding** for ongoing fuel reduction work in our Fire Safe Council.

Our first **Diamond Mountain Community Wildfire Protection Plan**—CWPP was developed in 2020 collaboratively and in consultation with Napa Firewise, CAL FIRE, Napa Fire and the residents of the DMFSC Community. Now it's time to complete an update in a guided process led by consultant Carol Rice.

You can see the original CWPP Report here [2020 CWPP for DMFSC](https://napafirewise.org/fsc/diamond-mountain), or on the Napa Firewise website napafirewise.org/fsc/diamond-mountain.

An RSVP is not required, but it would still be helpful
if you emailed us back if you plan to attend.
